Reflections and Euchre Musings....by Peg "the artist" Cullen

Euchre is a fun card game, and it is back at St James City Civic Center on Wednesday nights 6:30-8:30 PM. A core group is attending and playing traditional 4 handed Euchre and have introduced other variations of the game, such as 3 handed and 6 handed Euchre and one member's favorite variation of "Screw The Dealer". Although I rated myself as a pretty good player I have now been labeled "The Loser" 🤔 after *not winning one game the first night*. Fortunately, things have picked up for me and I soon should be entitled to a new label. 😊 One of our new members consistently says she is no good at the game, but I don't understand why she is always winning. 🤔 Perhaps it is her husband; he is quite a good player. 😊

We quickly learned that winning or losing is often the fault of the cards. Currently we are having lots of fun, lots of laughs and meeting new friends. 🤔 We would **love to have you join us**. If you don't know the game, we will teach you! So, consider trying it out on Wednesday nights. Even if you don't win, you really will win by enjoying a very friendly, fun group and going home in good spirits. 😊 We don't play for money or prizes, just for fun. Members pay \$2.00 and non-members pay \$4.00.

"Believe it or not, socializing and conversation with others takes a good deal of mental skill, and playing games with a group is an excellent way to train your brain. And the more often you do it, the sharper your mind will be." This is a quote from United Health Care. So...come on and join our Euchre group, have fun and train your brain all in one evening. **Contact Peg:** (239) 283-6498 pcullenartist@hotmail.com
