This month's **General Member's Meeting** will be held on Monday **April 20**.

Following a short business meeting, an informative **program about shrimp** grown and processed on Pine Island will be presented at **7pm**... Robin Pearl, president of Sun Shrimp on Stringfellow Rd (south of the Center), will be the speaker. He will discuss the life cycle of raising small shrimp to reach market size. Of interest is the type of shrimp, the feeding, the water and its re-cycling, and the packaging of fresh wholesale shrimp.

Come early, and join in on **pot luck dinner**, at **5:30 pm**. Everyone is welcome. Bring a dish to pass, utensils, and a drink. There will be a special treat you'll enjoy before dinner. Mark your calendar for Monday, April 20th. You won't want to miss this special evening.

Our **rummage sales** are over for this season but we are still collecting for the next sale! So if you are cleaning out those closets, redecorating or want to rid yourselves of clutter, think of The SJCCA. We will be glad to take your donations for our Fall Rummage Sales. Just call Shelley McManus at 239-910-3203 and she will pick up your items or meet you at the SJCCA garage

Mahjongg will continue throughout the year on Thursday from 1:00 to 5:00 pm. If you are looking for something new to do in a cool environment please join us. We welcome all, from new to seasoned players. What a great way to spend Thursday afternoons for only \$3.

“Don’t do that,” said the teacher, when one of her first graders playfully draped a dollar bill over his eyes. “Money is full of germs.”

“It is?” he asked. “Yes, it’s very dirty.” He thought about it a moment. “Is that why they call people who have a lot of it ‘filthy rich’?”

When a young minister was still single, he preached a sermon he entitled, "Rules for Raising Children." After he got married and had children of his own, he changed the title of the sermon to "Suggestions for Raising Children." When his children got to be teenagers, he stopped preaching on that subject altogether.
